Patron Honoured

Dan Cullen was recently honoured with The Lifetime Achievement Award by the PGA at a Gala Dinner at Star City on 22 September. Dan has been active in golf for 70 years. Peter Thomson summed it up succinctly when he said, "I won 5 British Opens, but what you did, Dan, in winning the DFC was worthy of at least 15 Opens." Well done, Dan!

PGA Golf Show

Held at Homebush on 23, 24, 25, 26 August, we considered the PGA Golf Show was a great success. By the number of inquiries we had there is a growing interest in golf history in Australia. Many thanks to those members who assisted.

Dan Cullen Trophy

Originally set down for Tuesday 16 October, the Dan Cullen Trophy game has been rescheduled to Jan/Feb 2002. Les Browne (Phone 9926 9535) is in charge of organization.

Living History Dinner

This was held at Moore Park GC on 31 July and Peter Heard as guest speaker. Peter, son of golf pro Tom Heard, was a great amateur player winning the Australian title in 1951 and 1953. He represented Australia in winning the Commonwealth Series Trophy at St Andrews in 1954. His stories and reminiscences were very interesting.
